- Practice putting green - give priority of use to the players in the next group due to tee off.
- We remind golfers not to touch others or stray balls.
- All rakes and ball retrievers have been removed by BFGC. Players may bring their own personal rakes and retrievers, which should only be handled by that player and taken away at the end of their round. Players to make their very best efforts to smooth the sand using their club and/or their feet.

- All other removable items have been removed. Stakes defining areas of the course can be treated as immovable obstructions.

- Do not touch flagsticks.
- Hole liner has a foam insert so the ball does not fall below surface of the putting green and can be easily retrieved by handling the ball only.
